

What Can Volunteers Do?

This is New York City and the possibilities are endless!

New York's nonprofits provide vital support for the city's most vulnerable populations and enrich its cultural offerings. VRC helps volunteers get connected.

Volunteer your time and talent to provide professional services, office support or creative ideas. Offer a few hours a month or several hours a week, seek something local or travel the city.

VRC partner agencies need help with a broad range of positions in areas from AIDS hospices to museum work, from children's programs to botanical gardens, from care for the elderly to prison reform programs, from soup kitchens to zoos.

Write a letter or write a blog, high-tech or low-tech, there are many volunteer opportunities. Here are some of them:
